2024 Survey of Licensed and Municipal Cemeteries

Funeral Consumers Alliance of the Virginia Blue Ridge

The Funeral Consumers Alliance of the Virginia Blue Ridge is a non-profit organization dedicated to empowering you to choose simple, meaningful, affordable after-death arrangements. Funeral and burial costs can be confusing and expensive. To protect your right to free, fair, and accurate information, we periodically survey licensed funeral homes and public cemeteries in our area: in the counties of Montgomery, Roanoke, Giles, Floyd, and Pulaski, Virginia, as well as in the cities of Roanoke, Salem, Bedford and Radford, VA. Church and private facilities are not included.

These surveys compare prices and services, focusing on lowest cost options at each cemetery. There are many other more expensive services available which are not listed here. For example, perpetual care as well as weekend or late afternoon burials are standard services that will incur added costs over the prices listed here. While we recognize that price is not the only consideration, it is a good first place to start when shopping for burial options.

Surveys are arranged by city. Prices were accurate as of May 2024, but are subject to change. If a field is blank, as indicated by the • symbol, the information or service was not available at the time of the survey. Be sure to check with establishments to confirm their current General Price Lists and to clarify the nature of the services listed. While website links are not given here, an online search should easily find them. Google Maps may prove easier to use in some cases.
