Death Café: Conversations about Death and Dying

Join us for tea and cake as we hold relaxed, open conversations about death and dying.

What is a Death Café?

- An opportunity to share thoughts, feelings and questions in a safe, non-judgmental environment
- Led by a facilitator, but discussion topics are directed by the group
- No agenda, objectives or themes
- A discussion group, not a support group or counseling session

Space is limited. To register for a session, scan the QR code for the date you wish to attend using the camera on your mobile device or call 1-800-422-8482.
